ADDITIONAL INFORMATION

PROJECTS

2023

My profile on Github I designed this profile page myself to show myself on github

Link https://sidmoses73.github.io/ahonmisi_moses_profile/

2022

Simple voters eligibility This is something I designed using HTML, CSS and Javascript. Just to show you if you are eligible to vote. You input your name and age.

Link https://sidmoses73.github.io/know_ur_eligibility/

2023

Getting A Quote I designed this using HTML, CSS and Javascript. It can be used in any website to get instant quote for a product.

Link https://sidmoses73.github.io/get_a_quote/

I am available to work and provide my reference on demand. Am also open to communication on more of my experience and what I will bring into the company for our mutual benefit. Am open to learn new things like frameworks and languages. Am a fast learner also.
